

Top 5

Phil Murphy Household Management

. . . caring for your home while you are away

Here are the top 5 things not to forget to do before you leave town:

1. Make sure no garbage is left in the house
2. Make sure thermostats are set to hold at the proper temperature
3. Empty perishables from the fridge
4. Make sure mail is held or forwarded
5. Check that no wet clothes are left in the washing machine
